T E R M	Ambition <u>Sky Chasers</u> by Emma Carroll <u>Writing Outcome:</u> Fiction – Adventure Story <u>Guided Reading:</u> a range of fictions and non-fiction texts and a weekly comprehension exercise Weekly spelling test on Friday Year 6 are expected to read at home daily for a minimum of 10-15 minutes. Comments to be recorded in the reading diary. Reading books and reading diaries must be in school every day.
Science	<u>Electricity</u> – the children will get the opportunity to develop their understanding of what electricity is and how to measure it. As well as conducting their own investigation, they will get the opportunity to create their own torch!		<u>Scientist and Inventors</u> – the children will learn about several scientists and inventors. They will learn about the life and work of Stephen Hawking, and carry out an investigation into Hawking's theories on black holes. The children will learn about Libbie Hyman, a zoologist whose work on invertebrates informs much of what we know about the characteristics and classification of these creatures.
Computing	<u>Networks</u> – During this unit of the work, the children will have the opportunity to find out more about how networks work, understand computer networks including the internet, learn how they can provide multiple services, such as the World Wide Web, and explore the opportunities they offer for communication and collaboration		<u>Quizzing</u> – During this unit of the work, the children will have the opportunity to explore and design a variety of quizzes using PurpleMash.
Geography /History	<u>Geography</u> – during this unit of work, the children will recap their knowledge of South America. They will be able to identify key features of the Amazon Basin, be able to explain the importance of the Amazon Rainforest and be able to share their knowledge and understanding.		<u>Local History Study</u> – during this unit of work the children will be learning about Bridgnorth's history. We will be focusing on events during World War II and the children will create a tourist information leaflet with the facts they learn.
Art/DT	<u>Art</u> – Keith Siddle – during this unit of work the children will be learning about the life and art of Keith Siddle. They will create their own drawings in a style similar to his.		<u>D/T</u> – Design a T-Shirt - during this unit of work, the children will design and attempt to recreate a t-shirt that represents themselves.
PE	<u>Athletics</u> – During this unit of work, the children will learn about the skills players need in games such as cricket, rounders and French Cricket. The children will learn how to catch, throw and bat across different distances with accuracy. They will develop their fielding skills by learning how to 'attack the ball'. They will develop their skills of cooperation, exploring how working as a team helps to prevent the opposition from scoring points. Children will also develop tactical skills.		<u>Athletics</u> – During this unit of work, the children will learn about the skills players need in games such as cricket, rounders and French Cricket.
