**Dinner Menu: Week 1**

## Weekly Buzz

What a busy week it has been this week for us!

Year 6 have been completing their SATs this week. They have all worked incredibly hard and tried their hardest. We would like to give an extra special thank you to the kitchen for our lovely star biscuit treat at the end of our final test. They were very yummy.

Yrs 5 & 6 rounded the week off with a trip to the cinema to watch Sonic 2, it was a great end to the week. Congratulations to all of our stars of the week.

If you are having a Spring clean this weekend and you have any spare, in good condition picnic blankets, please consider donating to school, as we are using them on the field to sit on at lunchtimes while chatting or reading a book.

We have some exciting things coming up: School trips, Sports Days, Pioneer Centre & Our Jubilee Celebration. Let's hope the weather is kind so we can enjoy being outside and making memories in our final term. Have a wonderful weekend!

## **School Dinner Price increase**

Due to rising food costs, Governors have had to increase the cost of a school dinner to £2.50 from **1st September 2022**. This is still excellent value for money and cheaper than a coffee from your favourite coffee shop!

## STARS OF THE WEEK

<b>Reception Amelia</b>	Amelia has been an extra ball of loveliness this week! (she is every week anyway). She has had such a supportive, amazing attitude which has been infectious. In mini stars club she was heard saying 'we don't give up, we try' and 'it is the taking part that counts'. When another child got the certificate she is supportive and says 'good job'. Her positivity and kind words are amazing and Amelia is such a role model for the other children. Well done Amelia, we are all super proud of you! Keep shining your positivity everywhere!
<b>Year 1 Lily</b>	Lily is a little ray of sunshine in our Year 1 class. She is very kind and considerate and has a lovely, calm nature. Her beautiful smile lights up the room and makes everyone feel better. As well as this, Lily is a good little worker. She tries her hardest and is always happy to keep on trying and keep on working. You are a little superstar, Lily, keep smiling!
<b>Year 2 Minnie</b>	Minnie has achieved star of the week because she is so conscientious, she puts her heart and soul into everything she does. Not only does she work incredibly hard, ensuring her work is completed to a high standard, but she is also a wonderful friend to others. She is so kind and caring and always looks out for other people, she is very aware of others feelings and is always doing her best to be positive. You shine so brightly Minnie, it is a pleasure to teach you.
<b>Year 3 Isabelle</b>	Isabelle has come back after her holiday more focused and ready to learn. Isabelle is settling down to her work well, following instructions and is working well in English and is enjoying our text "Journey". Isabelle read well to the teacher and tried hard. Well done Isabelle. Keep up the hard work.
<b>Year 4 Connie</b>	Consistency is the best word to describe Connie! She is always pushing herself and is willing to try any challenge put before her! She has a great attitude toward her education, and always sets a great example of our school expectations. Keep it up Connie, we're very proud of your contributions to our class and school!
<b>Year 5 Lucy</b>	Lucy has been demonstrating what being a wonderful Year 5 is all about! She works independently, but knows when to ask her peers and the grown-ups for help. She has a beautiful artistic style all of her own which means her art work is always impressive and individual. This transfers into her presentation. Her handwriting and presentation are excellent and she works hard to ensure her books are a pleasure to behold! I am sure Lucy will be a fantastic member of Year 6 as she is already a great role model for expected behaviour in school. Well done Lucy.
<b>Year 6</b>	Star of the week this week is the entirety of Year 6!  You have all worked your socks off this week and we are so incredibly proud of you! I know that it hasn't been easy but you've all kept smiling and kept going even when it was tough.  You are all little super stars! Well done!
