### Catholic Life

This week the children have been focussing on the following:

Jesus teaches us to forgive one another, and in doing so, we rebuild relationships and can live out Jesus' teaching to 'love one another.'

Dear God,  
Thank you that you are always ready to forgive me.  
Help me to say sorry and ask for forgiveness when I hurt others.  
Give me strength and courage to forgive those who hurt me.  
Amen

# Celebration Assembly – Responsible

<p>Reception <b>Poppy</b></p>	<p>We have chosen Poppy this week for our responsible value because she is patient and waits her turn to put her coat and bag away. She looks after her belongings well and folds her jumper neatly into her drawer. She is responsible for what she plays with and always tidies it up and helps others too. She follows the routines for the start of the day and end of day well and always checks her drawer and remembers all her belongings. We are very impressed with Poppy's great start to St John's, and we love how we responsible she is. Keep it up, Poppy!</p>
<p>Year 1 <b>Beatrice</b></p>	<p>We have chosen Bea to receive our Star Value award this week. Bea is a very responsible member of our class. She is very helpful and I can rely on her to complete any task I give her. She is one of our 'table helpers' and she takes this role very seriously, making sure her friends have everything they need and also making sure they tidy up as a team. Well done Bea! I am lucky to have such a responsible person in the class!</p>
<p>Year 2 <b>Bella</b></p>	<p>Bella has been demonstrating the value of being responsible every morning when she takes down the register for her class. She walks sensibly and always remembers her manners when talking to the kitchen staff. She is becoming more responsible in class as well, sitting well and working hard in her lessons. Keep up the good work Bella and being responsible.</p>
<p>Year 3 <b>Ella P</b></p>	<p>Ella has made a fantastic start in year 3 and is always demonstrating how to be responsible. Ella is our register monitor, and she has enjoyed taking on this responsibility. Ella has shown she is responsible within her table group and helps to remind other children to tidy the table and remind them of the routines we have in year 3. Ella is showing she is responsible in her own learning and is working very hard in all subjects but particularly doing well in maths and PE. You have made a superb start Ella, well done.</p>
<p>Year 4 <b>Lydia</b></p>	<p>This weeks award goes to Lydia. Lydia is always a responsible member of our class, but we have been impressed with how much responsibility she takes in her own learning. She is always ready and respectful in lessons and this has helped her to improve in all that she has done. She has particularly taken responsibility in PE, she noticed how she could improve on a gymnastics move and did so with real determination. Well done Lydia, it's been a pleasure to teach you so far.</p>
<p>Year 5 <b>Tobias</b></p>	<p>Toby has shown a responsible attitude this week, not only around the class but also with his learning. He is taking responsibility to push himself and be fully involved with lessons. He is polite and respectful to all around him. A pleasure to share a class with.</p>
<p>Year 6 <b>Christina</b></p>	<p>Christina is someone who always makes the correct choice regarding behaviour, jobs and her learning. Christina seeks help when struggling to x10, 100 or 1000 as she wants to take responsibility for her development. Furthermore Christina has already completed a book review for Bookfest. Well done Christina.</p>
