Weekly News

This week our summer after school sports clubs have started. Thursday afternoon was orienteering and all the children had a great time outside enjoying the fresh air.

On Wednesday, some of the Year 6 children went to Idsall for a netball tournament—they came first overall which was a great achievement as most of them had never played before! They will now progress to the School Games final later on in the summer term.

Well done to all the stars of the week this week and everyone who has had a lunchtime award. This week's tidy classroom winners were Y2 and Go Noodle was Reception.

We would also like to welcome our new Catering Manager Miss Swinscoe who will be starting with us on 22nd April. Look out for some new menus coming soon!

Have a great weekend!

Emily & Rory

Reminders

Y4 have swimming every week on Friday afternoons. Please ensure they have their kit with them. Thank you.

Y1 have forest school on Wednesday (17th). Please ensure children have their waterproofs and wellies with them. A change of clothes might be advisable as it is quite muddy out there!

A reminder that the school day times are as follows; registration is at 8.45am but gates open at 8.30am. Finish time is 3.20pm.

YR Phonics Stay and Play session is on Tuesday morning at 9am. Look forward to seeing Reception parents and grandparents there.

Y5—Ellie

Y4—Myah

Catholic Life

Annunciation of the Lord

Feast day 25th March transferred to 8th April due to Easter celebrations.

O God, who willed that your Word should take on the reality of human flesh in the womb of the Virgin Mary, grant, we pray, that we, who confess our Redeemer to be God and man, may merit to become partakers of his divine nature. Who lives and reigns with you in the unity of the Holy Spirit, one God for ever and ever.

Amen

Stars of the Week!

<p>Reception</p> <p>Rosie</p>	<p>Rosie has returned after half term wonderfully. She has had her eye on star of the week for quite awhile and this week she truly deserves it. Rosie has impressed both Mrs Shimmons and Mrs Beaman with her writing, phonics and maths. Rosie has made good choices, been a super sitter on the carpet and a great friend this week and we have really noticed. Well done Rosie, we hope it continues. You are a star!</p>
<p>Year 1</p> <p>Alfie</p>	<p>We have chosen Alfie who has impressed us all this week with his amazing maths skills. When we were doing a collaborative activity, Alfie worked well and was able to decide which concrete equipment would best help him with the maths he was working on. Alfie then went on to show amazing fluency and reasoning skills in his calculations; showing great accuracy himself and also helping others. Well done Alfie.</p>
<p>Year 2</p> <p>Harry E</p>	<p>Harry E is year 2's star of the week. He's been trying really hard in class, focusing and listening to advice from adults and inputting this into his work. He has particularly been working hard on his reading at home and reading with Mrs Massey every day, the progress is really starting to show, and we are so proud of Harry's achievement's. Keep going Harry, you CAN do it!</p>
<p>Year 3</p> <p>Henry</p>	<p>Henry is a quieter member of our class, but his hard work does not go un-noticed. Henry always follows our learning behaviours and is a role model to others. Henry has worked more independently this week and it's great to see his confidence grow. Well done Henry.</p>
<p>Year 4</p> <p>Saffie</p>	<p>This week's star of the week goes to Saffie. Saffie always works hard and gives her all to everything she does. She shows all our school values, but particularly being ready and respectful. Saffie joins in with all our class discussions and shares her fantastic knowledge with the class. Well done Saffie, we think you are faaaaantastic.</p> <p>Another shout out for year 4 goes to Parker B for his incredible handwriting. Parker has been working extremely hard to improve his handwriting and it is really showing in his work. Well done Parker, keep it up.</p>
<p>Year 5</p> <p>Harrison</p>	<p>Harrison. Harrison has really stepped it up and started the term well. We have noticed a positive attitude towards his learning and a better appreciation of other around him. His ability to contribute and focus on his maths and independent writing has been noticeable and he has also stood out in our weekly PE lesson on running in different tempos.</p>
<p>Year 6</p> <p>Jackson</p>	<p>Jackson is our star of the week this week. Jackson is such a kind and thoughtful member of the class who comes into school with a smile every day. He is a good friend to others and it is so lovely to watch him play and interact with others. We were blown away this week by Jackson's mathematical reasoning and feel that he should be really proud of how far he has come this year!! Keep up the hard work Jackson, you are fantastic!</p>
