

Ofsted

During the visit in June 2013 the Inspectors confirmed that our school has continued to improve since the last inspection. Inspectors were particularly impressed by:

- The excellent behaviour of our pupils which contributes strongly to the good progress made in lessons.
- The outstanding provision for spiritual, moral, social and cultural development.
- The outstanding pastoral care for its pupils
- The good relationships with parents and parental support for the school.
- The good provision in the Early Years Foundation stage which results in pupils making a strong start to their school life.
- The rich and imaginative curriculum experience provided for all its pupils.
