Weekly News

This week in school the Rock Steady lessons have started! The bands are forming together well and the music was great.

We have had some other guests in this week for our assemblies. On Tuesday Open the Book came into school, they act out bible stories and this week was the story of Moses and the burning bush. Next week they will be choosing some children to help them act out the bible stories! On Thursday a man called John came into assembly to talk about epiphany. He told us all about what it means, what happens and when it is.

On Wednesday afternoon some children from KS2 went to William Brookes for an indoor athletics competition. They did great! The girls came 4th and the boys team came 1st. They will be going to Shrewsbury for another competition in May. Great job guys!

Winners of tidy classroom this week are Y3 and Go Noodle winners are Y5. Well done to everyone who got a lunchtime award or a star of the week this week as well. Happy birthday to anyone celebrating.

See you next week!

Emily & Rory

Reminders

Y5 have swimming every week on Monday this half term. Please ensure they have their kit with them. Thank you.

Y2 have Forest School this week on Wednesday. Please send your child in appropriate clothing with waterproofs and wellies. Thank you.

Y6 will be at Pioneer this week Wednesday to Friday, we hope they have a great time!

Y6—Christina

Catholic Life

We pray for the Church, and for the unity of all Christians; that God will strengthen our commitment to listen to his Word and strive together for his kingdom of love, justice and peace. Lord, in your mercy.

Amen

Star of the Week!

<p>Reception</p> <p>Remi</p>	<p>Remi is a kind, considerate person in our class. He looks after friends in the class and helps them up when they fall over. Remi is one of the politest people in our class and has impeccable manners. He is an example to everyone in our class on how to use please and thank you. We have also noticed Remi's super effort at his writing this week! We are very impressed with how Remi is working more independently and having a go at writing his sentences all by himself. We are super proud of you Remi!</p>
<p>Year 1</p> <p>Sofia</p>	<p>Sofia has really impressed us with her mathematical skills this week. She has consistently produced really accurate work and she is working hard to present her tasks in a logical way—this is something the whole class are working on and Sofia is doing brilliantly. Sofia has also been really accurate when practicing her arithmetic and is always one of the first to finish with super work completed. Well done Sofia—we hope you are super proud of what your hard work has achieved.</p>
<p>Year 2</p> <p>Ellie</p>	<p>Ellie has really impressed all the teachers in Year 2. She has started to volunteer answers in class which shows she is gaining confidence and realising she can do it! Actively taking part in her own learning is really helping Ellie to progress and enjoy all of the opportunities given to her in the classroom environment. We have also noticed how much Ellie's reading has improved; this was demonstrated when she read the gospel reading so clearly in her liturgical prayer this week. Well done Ellie keep up the good work, you are a superstar!</p>
<p>Year 3</p> <p>Francesca</p>	<p>Francesca is our star of the week. We have noticed that Francesca always shows fantastic learning behaviour. She always listens carefully during teaching and learning time, stays focused and does not get distracted. Francesca is always ready to learn by sitting quietly and looking at me. Well done Francesca you are an excellent role model to have in Year 3. You are always a pleasure to teach.</p>
<p>Year 4</p> <p>Grace</p>	<p>This week our star of the week goes to Grace. Grace faces every challenge she comes across with determination and perseverance. She always goes above and beyond in her work, presenting it to an extremely high standard and this is definitely worth celebrating. Not only that, she is also kind, caring and considerate to all around her. Well done Grace, you are brilliant.</p>
<p>Year 5</p> <p>Jessica</p>	<p>We've been so impressed this week with how Jessica has applied her skills in her maths. She's been focused, committed and has believed in her abilities. We are very proud of her accomplishments!</p>
<p>Year 6</p> <p>Jakob</p>	<p>Jakob is our star of the week this week. Jakob has such a kind heart and really does look out for everyone in our class. He always has a funny story to tell and I love my daily hugs. We have chosen Jakob this week because he has really stood out in our maths lessons. He is working so hard and has come such a long way since September! Keep it up Jakob, it isn't always easy but you have proven that hard work and determination will get you such a long way!</p>
