## Weekly News

This week a musician from Rock Steady came into school to tell us all about the instruments we can learn to play. He showed us the drums, keyboard, bass guitar and electric guitar and even singing if that's what you like. There are only a limited number of spaces so book now!

Earlier this week some of our Y4 girls went to a gymnastics competition. Our A team came second overall and everyone had fun competing. Next week the mud run is back on after being rescheduled and there is an indoor cricket competition going on too.

Well done to Y3 for winning tidy classroom this week and the Go Noodle winners, Y4.

Congratulations to all our stars of the week and everyone who got a lunchtime award. We hope all the birthday children have a great weekend celebrating.

Finally, a big well done to Jessica in Y6 who won a prize for designing a Christmas decoration at the lights switch on last week.

*Emily & Rory*

### Reminders

There will be an Advent Mass in school on 7th December at 9.15am and a Christmas Mass on 21st December at 9.15am. All parents, carers and grandparents are welcome to attend.

Advent Mass in Church will be on the 10th December.

Please bring in your donations for the Christmas hampers to drop off at the office. See ParentMail for what your child's class has been asked to bring in. Thank you for your support.

Raffle tickets and tickets for NYE are available from the office. You can purchase tickets for the school disco on ParentMail from Monday. The discos are on 15th December.

**Catholic Life**

As we light the first candle on our Advent wreath, may we be awake to the signs of God’s coming reign all around us.

Lord, fill us with faith and courage, so we may proclaim that your hope is at hand.

Amen

# Star of the Week!

<p>Reception</p> <p><b>Jack</b></p>	<p>Jack is star of the week for having such a thirst for knowledge! Jack is always a sponge for information and wanting to know more and more. Jack remembers lots of facts about different topics. This week he really wowed us with remembering all the five candles on the advent wreath and could share what he remembered with Mrs Beaman. You are a superstar Jack!</p>
<p>Year 1</p> <p><b>Ben</b></p>	<p>Ben has been brilliant with practicing the play and learning his lines. He has worked really hard on presenting his lines like a soldier would! Well done Ben. Ben is someone who is always ready to learn in our classroom. He displays respectful behaviour to grown ups and he is always a good friend. Thank you Ben.</p>
<p>Year 2</p> <p><b>Albie</b></p>	<p>Albie has achieved star of the week this week because he is kind and conscientious. Albie is a treasured member in Y2, he quietly works incredibly hard and has begun to volunteer answers in class. He clearly loves his learning as he embraces all of the opportunities given to him. Albie also has the kindest heart, he is caring, looks out for his friends and always shows adults respect. You are a pleasure to teach Albie, a ray of sunshine in our classroom. Thank you and well done.</p>
<p>Year 3</p> <p><b>Bertie</b></p>	<p>Bertie has shown great understanding in our maths lessons this week and made valuable contributions to our class questioning within our maths lessons. Bertie also contributed well to our class discussions in English and made good contributions. Bertie works hard in all subjects and demonstrates good skills in our PE lessons. Well done Bertie. Keep up the great work.</p>
<p>Year 4</p> <p><b>Oliver</b></p>	<p>This week we have given a Maths star award to Oliver. He has had a really positive week in Maths, working hard on dividing and multiplying 10's and 100's. At the beginning of the week it was a real challenge, but Oliver showed determination and perseverance and became really successful. Well done Oliver. Keep it up!</p>
<p>Year 5</p> <p><b>Darcy</b></p>	<p>This week Darcy has shown real determination and commitment towards her maths in particular. It has been so pleasing to see her full of enthusiasm and positivity towards her work on fractions. She has really shown a resilient attitude to keep on working at them and now is showing that she can calculate, compare, order and convert fractions with different denominators by using her multiples. Keep up this positive and resilient attitude and you will continue to grow in confidence!</p>
<p>Year 6</p> <p><b>Kye</b></p>	<p>Our star of the week this week is Kye. Kye has shown an improvement in his commitment to learning this year, he has been settling to his work and has been working really hard at the work he is producing. Year 6 have also had assessments this week and Kye has shown a huge improvement in his scores! Well done Kye, keep up the hard work! We are so impressed!</p>
