Weekly News

This week we had a visit from Shropshire Music Service with their live band. Everyone really enjoyed it and were singing and clapping along.

The Go Noodle winners this week are Reception. Tidy Classroom winners are Y3. Well done! Happy birthday to all the children with birthdays this week. Congratulations to all the inquisitive award winners and lunchtime award winners this week as well.

The Heads and the Deputies have been selling poppy items around school this week to raise money for the Royal British Legion, thanks to everyone who sent money in for this.

Next week some KS2 students will be taking part in a mud run! Have a great weekend.

Emily & Rory

Reminders

St John's Church Fayre will be held on November 25th. If you have any donations of toys, gifts, bottles etc, please drop them into the office.

The Usbourne book fair will be taking place on 21st November, children will be looking at the books in the day and they will be available to purchase after school on the playground.

Advent Mass in Church will take place at 11am on 3rd December. If your child would like to read a prayer or a reading please contact the office by 24th November.

There will be an Advent Mass in school on 7th December at 9.15am and a Christmas Mass on 21st December at 9.15am. All parents, carers and grandparents are welcome to attend.

Y4—Oliver. Y6—Polly and Rory

Catholic Life

This week Father Iain was in school for All Saints Mass. It was lovely to welcome him back into school again and all the Year 6 pupils who read did a wonderful job.

Thank you to all the parents and grandparents that came along. It was great to see you.

Celebration Assembly – Inquisitive

<p>Reception Harry</p>	<p>Harry is our star of the week for ALWAYS being inquisitive. Harry loves to ask questions about everything we are doing and always checks that he is doing his work correctly. If he is unsure about anything, he will ask a question. Harry is MOST OF ALL inquisitive when it comes to his love of space and rockets. Harry loves to share with the class about his adventures to Kennedy space centre, he told the class about his rocket themed bedroom and tells us all about regular space missions. He teaches us so much—thank you Harry!</p>
<p>Year 1 Reuben</p>	<p>For being inquisitive we have nominated Reuben. Reuben was very interested in our work on Remembrance Day. He was asking a lot of really good questions to further his knowledge. He has also been doing his own research from books he has brought into school from home. Reuben is very inquisitive about anything to do with history and has a very enquiring mind. Well done Reuben.</p>
<p>Year 2 Harley</p>	<p>Harley has been really inquisitive this week. He has asked questions about his maths and English and he has been putting his hand up in class and having a go at answering some of the questions. Really good to see this Harley, your confidence is growing, keep up the good work.</p>
<p>Year 3 Peony</p>	<p>Peony is often inquisitive. Peony asks questions to help develop her understanding within our lessons. When Peony finds some of the work tricky she will ask questions and wants to improve her work. Peony has shown great understanding within our maths lessons this week showing good understanding of mass. Peony always follows our learning behaviours. Well done Peony.</p>
<p>Year 4 Rupert</p>	<p>This week's award for being inquisitive goes to Rupert. Rupert is always inquisitive and pushes himself to know and learn more. This week in particular though, we recognised that he was asking and answering questions during our Geography lesson that helped everyone's learning. He is truly inquisitive and we think that is fannntastic!</p>
<p>Year 5 Zachary</p>	<p>Zachary has impressed both myself and Mrs Newsome with his inquisitive nature in his lessons—most notably in The Way, The Truth and The Life and in science. Zach always thinks deeply about our topics and is ready with questions to further his learning. An example is when he wanted to explore more on our experiments on material hardness, by hypothesising about different metals. His questioning always helps class discussions.</p>
<p>Year 6 Aria</p>	<p>Aria has been asking lots of questions in our lessons to further her own learning. She has been inquisitive in our WTL lessons, learning what justice means and asking questions about how we show justice to others. Aria is always willing to share her knowledge with others and always wants to involve herself in our classroom discussions to continually further her own knowledge and understanding. Keep it up Aria!</p>
