Weekly News

This week, Year 6 have been doing their Bikeability training on the school playground and out on the roads around Bridgnorth. They have been learning to do U turns, hand signals for turning left and right and learning to be safe on the road with other vehicles.

We have also begun rehearsals in school for our Christmas events. KS1 have been practicing the nativity, we can hear their singing from the Y6 classroom and they sound amazing! KS2 have also been practicing for their carol concert, we are changing it up slightly this year and we can't wait for you to see it.

This coming week we are starting up a new club for card trading. It will take place on the last Monday of each month between 12 and 12.45pm. We would like to remind children to only bring cards they are willing to trade and that swaps are final. There will be members of School Council on hand to monitor the swaps and make sure everything is fair.

Go Noodle winners this week are Y6 with Reception a very close second. Tidy classroom were Y4. Congratulations to all our stars of the week and lunchtime award winners. Happy birthday to everyone with a birthday this week.

A big well done to all our dodgeball players who played in a tournament this week. One of the St John's teams came 4th overall!

Emily & Rory

Reminders

There will be an Advent Mass in school on 7th December at 9.15am and a Christmas Mass on 21st December at 9.15am. All parents, carers and grandparents are welcome to attend.

St John's Church Fair is taking place this Saturday at 1 o'clock. Everyone welcome.

Advent Mass in Church will be on the 10th December.

 Y4—Lydia Y5—Nicholas

Catholic Life

Dear Lord Jesus

Please help me to see you in everyone I meet, and be kind to all, especially to those that I sometimes find it difficult to love.

Amen

Star of the Week!

<p>Reception Agnes</p>	<p>Agnes is our star of the week for her beautiful retelling of 'The Annunciation'. Agnes could share all of her learning about Angel Gabriel visiting Mary and how he told her how she was going to have a baby. She could remember how Mary felt and she talked about it with such confidence. It warmed the cockles of our hearts listening to her retelling 'The Annunciation'. Thank you Agnes.</p>
<p>Year 1 Eadie</p>	<p>Eadie has been working extremely hard on her handwriting and letter formation this week. She has tried really hard to be accurate and neat and she has done a fantastic job. Eadie was also amazing at subtracting from 10 with Mrs Rix this week. Eadie is always kind and considerate of other people around her, always fair and always happy to share her beautiful smile. Thank you and well done Eadie.</p>
<p>Year 2 Thomas</p>	<p>Thomas has achieved star of the week this week for his vast knowledge in Science, Geography and History. He loves to share his knowledge with the class. Thomas is a keen learner and enjoys participating in class and group discussions, he loves to learn new facts to add to his already wide knowledge of the wider world. This is such a pleasure to see, please continue sharing and participating.</p>
<p>Year 3 Sammy</p>	<p>Sammy's confidence has really grown within all lessons which is great to see. Sammy has contributed well to class discussions and has shown good understanding within our maths lessons. PE is a strength of Sammy's, he always works hard within our PE lessons and shows a good skill level but this week the tactics he used within our PE lesson were great too. Well done Sammy. Sammy is a pleasure to teach and we love having him in our class.</p>
<p>Year 4 Parker T</p>	<p>This week's star of the week goes to Parker T. It has been noticed this week how kind and caring Parker is. He was spotted helping a friend in class when they needed some support. He is compassionate towards others and notices when others may need a helping hand. We love to see this in Team Year 4. Well done Parker, keep it up!</p>
<p>Year 5 Isaac P</p>	<p>We've been really impressed this week with how Isaac focusses on his learning. This has been particularly evident during our maths lessons this week on converting improper and mixed number fractions. He has been enthusiastic, engaged, contributed to discussions and has pushed himself. Each week, Isaac sets a good example to others of how to be engaged and focussed, and we have really seen him thriving with this attitude!</p>
<p>Year 6 Connie</p>	<p>Our star of the week this week is Connie. Connie was highlighted by the Bikeability staff for her consistency and her determination. She made sure to keep herself and others safe and was a fantastic role model to all! Well done Connie! Keep it up, you truly are a fantastic role model at all times!</p>
