Weekly News

On Wednesday all of Year 4 went to The Endowed for an athletics competition and orienteering event. The girls athletics team came first and the boys came third. Everyone did really well and had an amazing time. The orienteering was a maths treasure hunt and everyone enjoyed taking part.

Well done to all our stars of the week this week and all our lunchtime award winners.

Tidy classroom winners this week were Year 1 and Go Noodle winners were Year 4. Keep up the good work guys!

Happy birthday if you have a birthday this week.

Just a reminder to be on your best behaviour in the dinner hall at all times.

Big thank you to everyone that sent in biscuits for the CAFOD sale, it was a great success!

Emily & Rory

Reminders

Y4 have swimming every week on Monday after half term. Please ensure they have their kit with them. Thank you.

Y4 have forest school on Wednesday (6th). Please ensure children have their waterproofs and wellies with them. A change of clothes might be advisable as it is quite muddy out there!

Whole school book sale for CAFOD will take place on World Book Day (Thursday 7th March) Please send in any books you would like to donate and cash for everyone to buy something. Thank you for your support.

Pupils can dress as their favourite book character on World Book Day but please don't send their favourite books in just in case they get mixed up with the books for sale! If children do not wish to dress up they can come in their own clothes. Thank you.

Y6—Isaac

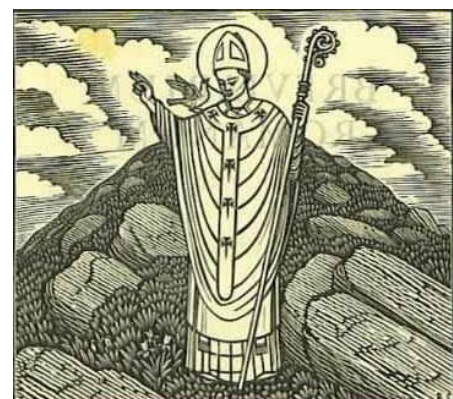

Catholic Life

St David Feast day

1st March.

O God, who graciously bestowed on your Bishop saint David of Wales the virtue of wisdom and the gift of eloquence and made him an example of prayer and pastoral zeal, grant that, through his intercession, your Church may ever prosper and render you joyful praise. Through our Lord Jesus Christ your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever.

Amen

Stars of the Week!

<p>Reception</p> <p>Madeleine</p>	<p>Madeleine has been very focused on her writing this week. Madeleine has been working hard at home with her writing which has really impressed her teachers. Madeleine’s letter formation, sentence structure and writing has improved greatly since half term and she has really wowed us. Madeleine is hearing more phonemes within words. Keep going Madeleine—you are fantastic!</p>
<p>Year 1</p> <p>Sofia</p>	<p>We have chosen Sofia because she has been wonderful this week! She has done fantastic work in maths and phonics—completing her tasks really well and very carefully. She has also been setting a shining example as far as our school rules are concerned and has been sitting on the carpet responding to questions beautifully. Well done Sofia.</p>
<p>Year 2</p> <p>Bethany</p>	<p>Bethany is year 2’s star of the week this week because she has settled so well into the class. She volunteers answers in the class, she’s focused, hardworking and is an absolute delight to teach. Bethany has many friends as she is a kind hearted person and looks out for others. Bethany also has impeccable manners, this has been noted by many members of staff. Well done Bethany, keep up the hard work and keep being you.</p>
<p>Year 3</p> <p>Daniela</p>	<p>This week’s star of the week is Daniela. Daniela is one of our faith council representatives and she shows responsibility within this role. Daniela is also being more responsible for her own learning and her confidence is growing within our lessons and she is contributing more to class discussions. Daniela tries hard within her lessons and aims to please. Well done Daniela.</p>
<p>Year 4</p> <p>Amelia</p>	<p>This week’s star of the week is Amelia. Amelia is an always child. She is always ready, safe, respectful and forgiving. This week Amelia has stood out for her incredible contributions in our maths lessons. She has had her hand up all the time and has worked really hard to complete all of the tasks. It’s been fantastic to see and we are so proud of her. Well done Amelia, keep working hard.</p>
<p>Year 5</p> <p>Zachary</p>	<p>Our star this week is Zachary. We have been really impressed with his in depth knowledge and discussions about the Greeks in History, his application using decimal fractions and maths logic problems and his programming skills for different inputs when programming his micro: bit in various ways. Keep showing this fantastic attitude towards your learning!</p>
<p>Year 6</p> <p>Rory</p>	<p>This week Rory is our star of the week. Rory has really stood out this week because of the effort he puts into everything that he does. Rory is a fantastic and dedicated swimmer and this dedication and hard work is also showing in the work he produces in school. Rory has listened to the support and guidance given to him and worked hard to implement this into his work. He always has insightful and thoughtful comments to make and is always willing to share these with the class. Keep it up Rory! You are incredible and you should be so proud of everything you have achieved!</p>
