Weekly News

This week has been a busy one! On Tuesday all the groups who have been taking part in Rock Steady lessons gave us a performance in front of the whole school. The bands were called The Moon Rockers, The Dino Roars and The Shadows. They were all amazing! They performed Roar, Shotgun and Three Little Birds.

On Thursday the whole school walked laps of the school for our Lent Walk for CAFOD. Luckily the weather was dry and we all enjoyed the exercise.

Today the Faith Council children did an assembly for us all about Easter which we enjoyed.

Winners of Tidy Classroom this week were Y6 and Go Noodle winners were Y4. Keep up the good work!

Splendid work to all our lunchtime award winners and stars of the week. Hope everyone with a birthday enjoys the celebrations.

Have an amazing Easter and a wonderful break. See you on April 8th!

Emily & Rory

Saint Patrick Feast day

17th March

O God, who chose the Bishop Saint Patrick to preach your glory to the peoples of Ireland, grant through his merits and intercession, that those who glory in the name of Christian may never cease to proclaim your wondrous deeds to all. Through our Lord Jesus Christ your Son, who lives and reigns with you in the unity of the Holy Spirit, one God for ever and ever.

Amen.

Stars of the Week!

<p>Reception</p> <p>Albert</p>	<p>Albert is our Star of the Week this week. Albert's has been a ray of sunshine this term and we really feel that he deserves to be the star of the week for this term. His behaviour has been impeccable, he continuously makes the right the choices, has lovely manners and has been an excellent role model. Albert is super inquisitive and we love how many questions he asks about lots of different things. Thank you Albert for being so fannn-tastic!</p>
<p>Year 1</p> <p>Jack</p>	<p>Jack has impressed us all with his amazing writing. He wrote a wonderful story at the end of our book, The Lion Inside. It was more than a page long and included some fantastic vocabulary. Jack has also continued to set an excellent example in our classroom. He is nearly always first to the carpet, showing that he is ready to learn and respectful of the adults and his friends. Well done Jack.</p>
<p>Year 2</p> <p>Daisy</p>	<p>Daisy is the star of the week this week. Daisy has gone above and beyond with her work recently, she has been focused, hardworking and has been determined to succeed. We have seen this positive approach across the curriculum, but particularly in maths and her writing. Daisy's work is really improving because of this approach and new found confidence. Well done Daisy, all of your effort has been noticed by all the adults in the room, you are a superstar, keep it up!</p>
<p>Year 3</p> <p>Sam</p>	<p>Sam is our star of the week this week. Sam has been more focused and not getting distracted by others. Sam has really engaged in his learning this week and shown very good understanding in his maths lessons focusing on length and perimeter. Sam made some valuable contributions in our poetry lessons too. Well done Sam. Sam follows our learning behaviours well. Keep up the good work!</p>
<p>Year 4</p> <p>Poppy</p>	<p>This week's star of the week goes to Poppy. Poppy has been spotted over the last few weeks working extremely hard on her Maths by all of the adults in class. She is more settled in her work and is trying hard to be independent. We are really pleased with the hard work you are putting in, keep it up.</p>
<p>Year 5</p> <p>Nicholas</p>	<p>Nicholas is our star this week. He puts effort and character into his work, especially in the Way, the Truth and the Life. It's always a surprise to see how he has approached the work and put his own spin on it, whether it is a comic, drawings or just in the way he writes. Nicholas loves to tell a story in everything he does, giving examples and with enthusiasm. Thank you for bringing a smile to our faces! You are fantastic!</p>
<p>Year 6</p> <p>Lauren</p>	<p>Lauren is our star of the week this week! She has really stood out for her commitment and effort with her learning over the last few weeks. Lauren always listens carefully to instructions and tries her hardest with any task she is set. She has particularly shone in maths recently and has been asking for more help and guidance when she needs it. Keep up the good work Lauren, you really are amazing!</p>
