## Weekly News

This week on Tuesday, some of our pupils went to Oldbury Wells to take part in a basketball competition. The A team came second overall and the B team won a special award for passion. They all had a great time and had fun.

On Thursday, two Year 6 pupils went to Shrewsbury for Bookfest, they were the winners for art and writing from our school. They won some lovely prizes and really enjoyed themselves.

Tidy Classroom winners this week are Y6 and Go Noodle winners are Y2.

Well done to all our stars of the week and lunchtime award winners.

Enjoy the long weekend.

A reminder that children can bring certificates/medals/trophies in to share their good news. This can be for any activity; not just sporting. If your child hasn't received an award/medal/trophy, they can still have a special mention in assembly if you know they have done something amazing. Please email the class teacher with detail of what they have achieved. Many thanks.

Saint Catherine of Siena Feast day 29th April

O God, who set Saint Catherine of Siena on fire with divine love in her contemplation of the Lord's Passion and her service of your Church, grant, through her intercession, that your people, participating in the mystery of Christ, may ever exult in the revelation of his glory. Through our Lord Jesus Christ your Son, who lives and reigns with you in the unity of the Holy Spirit, one God for ever and ever.

Amen

# Stars of the Week!

<p>Reception <b>Archie W</b></p>	<p>Archie has had some big changes at home with welcoming his new baby brother, Jordan. He has adapted to these changes well and enjoyed sharing his new love and joy with the rest of the class.</p> <p>We have been working really hard with Archie for his reading and making sure he reads 4 pages every day to a grown up. Archie is rising to the challenge and reading more tricky words, more words from sight and becoming faster. Well done, Archie. Keep up the good work!</p>
<p>Year 1 <b>Arthur Br</b></p>	<p>Year 1's Star of the Week is Arthur Brown. Arthur has been working really hard on his handwriting and presentation. He has started to underline his dates and is working very hard to make them tidy. Arthur is very helpful to adults, and he will always let us know if one of his friends is sad. Thank you Arthur for your amazing smile that lights up our classroom.</p>
<p>Year 2 <b>Olivia</b></p>	<p>Olivia is year 2's star of the week. Olivia could get star of the week every week, she perseveres and works hard everyday, even when she doesn't always feel 100%, she's a real trooper. She is always so kind and caring to others and always looks out for her friends. Olivia is a valued member of year 2. Thank you Olivia for being you.</p>
<p>Year 3 <b>Frankie</b></p>	<p>This week's star of the week is Frankie, Frankie is working more independently and gaining more confidence within his lessons. Frankie can find some maths work challenging but Frankie has been more focused and trying hard with his maths this week. Frankie has also contributed more to class discussions and sharing his ideas, which is great to see. Well done Frankie. Keep up the good work.</p>
<p>Year 4 <b>Daisy</b></p>	<p>This week's star of the week goes to Daisy. Daisy is an excellent role model in our classroom. She is always ready, respectful, safe and forgiving. We can always rely on Daisy to be doing the right thing at the right time. It has been wonderful to see Daisy's confidence growing. Well done Daisy, keep it up.</p>
<p>Year 5 <b>Henry</b></p>	<p>This week's star in Year 5 is Henry. I've been particularly impressed this week with Henry's commitment in music. He learnt a melody on glockenspiel and could play along to the song in time with the lyrics and chord changes. He also played to the class flawlessly and with confidence! This set a great example of focussing on a challenge and having the confidence in his abilities to perform!</p>
<p>Year 6 <b>Jakob</b></p>	<p>Jakob is our star of the week this week.</p> <p>Jakob could be picked every week for his ability to always make the adults and children in our class smile! But this week, we have picked him for his fantastic effort in our maths lessons. We have all been working really hard towards the upcoming SATs, but this week Jakob has shown so much determination and commitment to improving his maths. Keep it up Jakob and believe in yourself because you really can do it!</p>
