Weekly News

This week was Y6 SATS week, all the children did really well. To celebrate they had their Leaver's hoodies and a bouncy castle and assault course.

Y3 went to Carding Mill Valley for their class trip on Wednesday where they enjoyed some pond dipping activities and looking at creatures under a microscope.

This week Y4 have won tidy classroom and Go Noodle so well done to them!

Congratulations to all our stars of the week this week and great work to all the lunchtime award winners. Keep up the good work!

Emily & Rory

Reminders

School is closed on Friday 24th for a PD Day

Y6 have forest school on Wednesday (22nd). Please ensure children have their waterproofs and wellies with them.

A reminder that the school day times are as follows; registration is at 8.45am but gates open at 8.30am. Finish time is 3.20pm.

20/5 May procession—children can bring flowers to present to Mary if they wish to.

21/5 Biscuit sale after school in aid of Hope House

A reminder to check your ParentMail for any forms that need completing or payments that need to be made.

Whole school attendance this year = 95%

Happy Birthday and Best Wishes on your special day!

YR—Jacob & Madeleine Y2—Bella

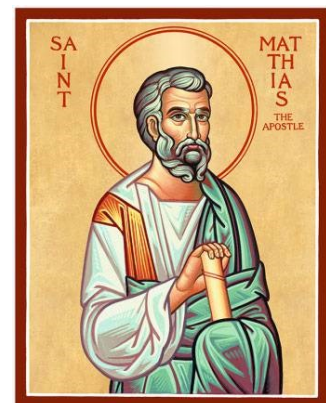

A reminder that children can bring certificates/medals/trophies in to share their good news. This can be for any activity; not just sporting. If your child hasn't received an award/medal/trophy, they can still have a special mention in assembly if you know they have done something amazing. Please email the class teacher with detail of what they have achieved. Many thanks.

Catholic Life

Saint Matthias Feast day 14th May

O God, who assigned Saint Matthias a place in the college of Apostles, grant us, through his intercession, that, rejoicing at how your loved has been allotted to us, we may merit to be numbered among the elect. Through our Lord Jesus Christ your Son, who lives and reigns with you in the unity of the Holy Spirit, one God for ever and ever.

Amen

Stars of the Week!

<p>Reception</p> <p>Hattie</p>	<p>We have noticed a big improvement in Hattie’s confidence towards her work, she is becoming an independent worker and using the skills she has been taught to achieve well in her writing, she has really impressed Mrs Shimmons with her writing and handwriting this week.</p> <p>Hattie is an excellent role model in class by lining up nicely and sitting on the carpet to listen to her teachers well. Well done, Hattie – you are a pleasure to have in the class.</p>
<p>Year 1</p> <p>Sybil</p>	<p>Our star this week is Sybil. Sybil wrote the most amazing sentences about our class book and we were especially impressed with her vocabulary. Sybil continues to present her art work beautifully and it is always of a ‘Wagoll’ standard. Even work that she does in her Science, Geography and History books is always beautifully illustrated. Sybil is kind and caring and is a wonderful member of our Year 1 classroom.</p> <p>Thank you Sybil.</p>
<p>Year 2</p> <p>Freddy</p>	<p>This week’s star of the week is Freddy. Freddy could have star of the week every week, he is always kind, considerate and a pleasure to teach. He works hard quietly and has started to participate in class discussions, which is a great achievement for Freddy. Thank you Freddy for brightening up our classroom every day for just being you.</p>
<p>Year 3</p> <p>Alfie</p>	<p>This week’s star of the week is Alfie. Alfie is a quieter member of our class but he showed more confidence during our school trip this week. Alfie actively took part in our river dipping and river measurements activities. Alfie did well on the walk, especially as the wellies were way too big for him! Alfie is a polite boy and is always kind to others. It was great to see you more actively involved at Carding Mill Valley. Now to bring this confidence to the classroom.</p>
<p>Year 4</p> <p>Honor</p>	<p>This week’s star of the week goes to Honor. Honor has been working extremely hard on her presentation in her books. She has spent time working on her handwriting and listening to advice on how to improve. It is really lovely to see Honor’s hard work paying off. Well done Honor, keep it up!</p>
<p>Year 5</p> <p>Beau</p>	<p>Our star this week is Beau. We’ve been really impressed with how he focussed on his maths and really impressed with his fast knowledge of bonds to 100! These have been helpful when working with decimal numbers this week!</p>
<p>Year 6</p> <p>Whole class!</p>	<p>The whole our Year 6 are our stars of the week this week!!</p> <p>You have all been absolutely amazing this week and you really have taken the SATs in your stride! You should all be so proud of yourselves because I know we are!</p> <p>Well done Year 6!! You are all incredible!</p>
