Weekly News

Today is Break the Rules day at school and we have seen some weird and wonderful outfits and hairstyles! Big thank you for all your donations for the Summer Fayre.

On Thursday Mrs Harris did an assembly about Earth Day, it was very interesting and all the children enjoyed it. Unfortunately the rounders was cancelled on Tuesday because of the bad weather. Hopefully it is sunnier for the next competition!

Year 4 had a clean sweep of winning tidy classroom and Go Noodle this week so well done to them.

Year 6 have begun rehearsing for their end of year production and are all doing a great job so far learning their lines and having lots of fun.

Well done to all the stars of the week and the lunchtime award winners. Hope everyone celebrating a birthday enjoys it.

See you next week.

Emily & Rory

 Y4—Parker B Y5—Joseph
 Y6—Jakob, Marney & Mia

A reminder that children can bring certificates/medals/trophies in to share their good news. This can be for any activity; not just sporting. If your child hasn't received an award/medal/trophy, they can still have a special mention in assembly if you know they have done something amazing. Please email the class teacher with detail of what they have achieved. Many thanks.

Catholic Life

Feast of the Sacred Heart 7th June

Grant, we pray, almighty God, that we, who glory in the Heart of your beloved Son, and recall the wonders of his love for us, may be worthy to receive an overflowing measure of grace from that fount of heavenly gifts. Through our Lord Jesus Christ your Son, who lives and reigns with you in the unity of the Holy Spirit, one God for ever and ever.

Amen.

Stars of the Week!

<p>Reception</p> <p>Eddie</p>	<p>Eddie is very good at communicating and talked us through a very detailed drawing of his house in his The Way, The Truth and The Life work this week as part of our new topic, 'Our Church Family'. When we discussed our 'I Wonder' of 'What do I wonder about God?', Eddie's reply was very profound and even made the adults wonder. Eddie said, 'I wonder when God made the Earth, if he didn't add all the pieces of the puzzle and he is waiting to put the last piece in the Earth, like a jigsaw'</p>
<p>Year 1</p> <p>Rafferty</p>	<p>Rafferty is Year One's star of the week this week. He has been spotted on several occasions by Super Monkey and Super Bunny being kind and supportive to his classmates – both in lessons and on the playground. In addition, Rafferty has been doing excellent pattern spotting in Maths and also, fantastic writing in English and History! Wow! Well done and thank you, Rafferty.</p>
<p>Year 2</p> <p>Macsen</p>	<p>Macsen is year 2's star of the week this week. Macsen has started to show his keenness for work, this has had a positive impact on his presentation and quality of work. He takes his time and focuses on the details, which has started to make such a difference. Macsen is more positive and has begun to believe in himself. This has also had such a positive impact on the quality of work he is now producing. Well done Macsen, you are really starting to shine, keep up the great work.</p>
<p>Year 3</p> <p>Theo</p>	<p>Theo joined our St. Johns family this week and he has settled in well. Theo has already adapted well to our classroom routines and has mixed well with his peers. Theo has really shone in maths; he has shown a good understanding of fractions within our maths lessons. Theo has also answered questions in our maths lessons and contributed well to class discussions. We are pleased to welcome you to our class. Well done Theo. A great start!</p>
<p>Year 4</p> <p>Edi & Ruby</p>	<p>This week year 4 have 2 stars of the week.</p> <p>Edi is one of them. Edi has settled in well to life in Year 4 at St. John's. She has taken everything in her stride and has shown us how amazing she is. She was really brave during English. At first, she didn't want to read out what she had written, but she did it and overcame her fear. She worked extremely hard in PSHE, showing us all of the amazing characteristics, she has to be well mannered. Keep being brilliant, Edi, it's a joy to have you in our class.</p> <p>Our other star is Ruby. Ruby could be picked each and every week. She is well mannered, caring and considerate. She follows our school rules and is always ready and respectful. Ruby works hard in all that she does and never gives up. When she finds something challenging, she shows great determination to be successful. We think you are faaaaaantastic.</p>
<p>Year 5</p> <p>Olivia</p>	<p>Our Star this week is Olivia. She has adapted to our class and school magnificently and has applied herself so well into our learning! Her attitude is excellent and she already sets a good example of classroom expectations to others. Her presentation and handwriting is lovely, and she's got stuck into our writing task despite not having had the planning time of others! It's also nice to add another girl to our class!</p>
<p>Year 6</p> <p>Christina</p>	<p>Christina, you are an absolute superstar! You've embraced your role in the end of year production with such enthusiasm, making our early rehearsals a joy for everyone. But what has made you truly exceptional is the kindness and support you show towards your friends. This week, you have offered a helping hand and kind words to those who needed it most. Your efforts have not gone unnoticed, Christina, and we all deeply appreciate your amazing contributions. Keep shining brightly.</p>
